Attention: Karen Davids

Dear Karen

I do not as a matter of course send letters of recommendation.

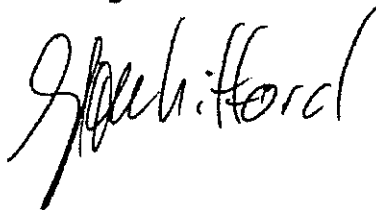

However, in this case I feel that it is well deserved.

The team arrived on the appointed day, on time and the job was completed with minimum fuss.

The end result was better than expected, the carpets were not excessively wet, and therefore the recovery period quick.

I would recommend this service without hesitation.

Kind Regards

A handwritten signature in black ink, appearing to read "Gary Whitford". The signature is written in a cursive, somewhat stylized font.
